Call for Catholic Women Nationwide to Pray and Sacrifice

Arlington, Virginia. – The Biden administration is quickly taking action to promote “gender-identity” ideology in America, and intends to reverse a key pro-life policy that President Trump enacted. Yesterday, President Biden issued an [Executive Order](#) regarding gender identity and sexual orientation that states that it is the policy that “[c]hildren should be able to learn without worrying about whether they will be denied access to the restroom, the locker room, or school sports,” and instructing government agencies to take action to fully implement this policy. The new Biden White House [website](#) now uses gender-inclusive prefixes and pronouns (i.e. visitors choose between “Mr,” Mrs,” Ms” or the gender-neutral “Mx”). Moreover, in the coming days, President Biden intends to [rescind](#) the pro-life “Mexico City Policy,” that prohibits federal funding of organizations that perform or promote abortion overseas.

Susan Muskett, President of Pro-Family Women, issued a call to America’s Catholic women: **“Pro-Family Women is extremely saddened by President Biden’s actions promoting gender-identity ideology in America, and his intent to overturn the pro-life Mexico City Policy. We call on Catholic women nationwide to pray and sacrifice that Biden’s actions will come to reflect a true belief in the extraordinary worth of every human life, born and unborn, as he or she was created by God, in God’s very own image and likeness.”** Muskett went on to say, **“The procreative family of mother, father and child is the bedrock of civilization, which government should support, not undermine.”**

Pro-Family Women is an organization that promotes the values of faithful Catholic women in proclaiming the truth about human life and family.
