PRO-FAMILY WOMEN DENOUNCES HOUSE PASSAGE OF THE EQUALITY ACT

Arlington, Virginia – Pro-Family Women denounces today’s passage of the Equality Act (H.R. 5) by the U.S. House of Representatives. The bill passed by a vote of 224-206, with 221 Democrats and 3 Republicans voting for it.

Pro-Family Women’s president, Susan Muskett, said: **“The end product of the Equality Act is that for Christians, nothing will be equal again -- not in regard to small family-owned businesses, not in regard to the medical community, and especially not in regard to the schools.”**

Muskett went on to say: **“The Equality Act will radically transform our nation’s public schools -- from Christian teachers being fired for refusing to lie about a child’s sex; ‘gender identity’ ideology potentially being integrated into the school curriculum; and a government-imposed desensitization of Christian children from viewing it as immodest to strip naked in front of a member of the opposite sex.”**
