Pro-Family Women Reacts to Biden's Signing of RFMA

Arlington, Virginia – Today, President Biden signed into law the misnamed “Respect for Marriage Act.” Pro-Family Women’s President, Susan Muskett, reacted by saying: “This is a dark day in America, and a dark day for Catholics in America, when our Catholic President signs into law a bill that codifies same-sex marriage, and that had the support of so many Catholics in the U.S. House of Representatives and in the U.S. Senate. Catholics traditionally are respectful of all individuals, but believe in the fundamental definition of marriage as being between a man and a woman. I believe that the polls being cited in the media do not reflect the deep sadness experienced by people of faith over the enactment of this bill.”
